Hospitality - Small, *BEST OF SHOW*

Commercial - "Quillwood" Custom

Designed Element, 2nd Place

feature installations provided include:

custom tree sculpture at bar, specialty wall finish and quilled monarch sculpture in dining room

Quillwood is a custom art installation for the Monarch Room at the Tower Club. The mixed media design, features custom milled woods, marble, and brass. The artwork inspiration is based on the age old art of quilling, where strips of paper are meticulously scrolled, folded, and arranged. Materials coordinate with other feature millwork and furnishings at this distinguished City Club located on the 42nd floor of the Thanksgiving Tower in downtown Dallas.
